## CHURCH, ARENA RITES RECALL HONORED DEAD

Newmarket veterans paraded to the War Memorial for Remembrance Day services Sunday morning. At the memorial a wreath was laid and two minutes silence observed. Following the brief ceremony, the veterans paraded to the Christian church where Rev. Alexander B. Stein took the service. During the service, a wreath was laid in the church.

Personnel of Newmarket military camp paraded to Trinity United church for morning services conducted by Rev. Henry Cotton.

In the afternoon, a municipal service of thanksgiving was held in the Memorial Arena in which ministers of Newmarket, veterans, camp personnel, and citizens of all faiths took part. Seated on the platform were representatives of the various town organizations which had contributed to the comfort and aid of Newmarket servicemen overseas.

The service was opened with the placing of a guard of honor about the cenotaph, a large cross placed in the centre of the arena. Anne O'Connor, whose brother was killed overseas, recited in Flanders Fields. The Maple Leaf was sung and Rev. Henry Cotton led in the saying of the Lord's Prayer. Dr. W. D. Muckle, introduced by Dr. L. W. Dales, in his address of thanksgiving, paid tribute to the town organizations which had worked for the benefit of men overseas. Rev. A. B. Stein blessed the offering and Maj. A. H. Adams, second in command at the military camp, laid a wreath at the foot of the cross. Two minutes silence was observed followed by Reveille.

Rev. G. A. Stone pronounced the benediction and the service closed with the singing of God Save The King.

## HEALTH NOTES

Good health calls for sensible habits, simple precautions.

1. Keep fit: make a point of doing the things that help to build up and keep your health.
2. Playing safe: unnecessary risks and excesses lower body resistance. Common-sense measures will help you keep well.
3. Setting up defences: put up a strong resistance to germs. Prevention is cheaper than cure.
4. Heading off trouble: your doctor is your best ally in protecting your health. Serious illness often can be averted by having an early diagnosis and prompt treatment. Go to your doctor at least once a year for a thorough check-up (including your eyes).
5. Wholesome thinking: The health of the mind is bound up with the health of the body. Let your thoughts reinforce your health.

## Hog Raisers Told Scheme Will Give Better Price, Sale

A floor price, control over marketing, and provision of markets for hogs were outlined as the advantages under the proposed hog marketing scheme by Kenneth M. Betzner, president of the Ontario Federation of Agriculture, at a meeting of hog producers in Newmarket town hall Wednesday night.

The scheme is being proposed under the farm products control act and in effect, if given the required majority vote of two thirds of the hog producers, will enable the producers to exert greater control over their product in the matter of price and marketing. Hog producers, under the terms of the scheme anyone who raises hogs for marketing, have until Dec. 8 to send in their ballot. First, however, the producer must register with W. M. Cockburn, York county agriculture representative, in writing or in person before he can vote.

Mr. Betzner said that the scheme was needed as a means to maintain the British market. "Irregularity of supply cost us the market after the last war and threatens to cost us our present market now," he said. "Through the hog marketing scheme, it is hoped to provide a continuous flow of hogs overseas."

Another incentive to the scheme was the need of the farmer for a guaranteed price for his product, he declared. He pointed to recent strike action in packing plants and said that the wage increase sought by the packing house workers would have come out of the farmers' pockets. The need to develop new markets has also had a part in inspiring the scheme, Mr. Betzner stated. "The farmer spends practically nothing to sell his product," he declared.

The draft of the marketing scheme provides for a negotiating committee of producers to meet with processors to set prices. Mr. Betzner, pointing to

**PACK CHRISTMAS BOXES, BALES AT ST. PAUL'S**

St. Paul's W.A. met on Thursday afternoon for a business and devotional meeting. The meeting took the form of a remembrance day celebration with Scripture reading, hymns and prayers, suitable for the occasion. The secretary, Mrs. A. D. Evans, read a prepared paper. Christmas boxes for the men of the congregation were packed and mailed. Christmas boxes and a bale of used clothing for the white settlers of the northwest were also packed and sent to the headquarters in Toronto.

The next meeting will be held on Dec. 6 instead of Dec. 13. At this meeting the election of officers for 1946 will take place. There will be a corporate communion service on Friday, Nov. 30, as it is St. Andrew's day, and St. Andrew is the patron saint of the Women's Auxiliary. The Parochial Guild is holding a bazaar in the parish hall on Wednesday, Nov. 28.

## REMEMBRANCE SERVICE IS HELD IN EVENING

Major Louise Fowler, Toronto, paid another visit to Newmarket on Sunday and was accompanied by Capt. Jeanne Delamont, eloquentist, Toronto. They conducted the services at the Salvation Army. Major Fowler's stirring message was enjoyed at the morning service and Captain Delamont's at the evening service. The visitors' stories and choruses at Sunday-school were well received by the children.

A time of remembrance was observed during the evening service. Following the singing of Eternal Father, Strong to Save, Capt. Delamont rendered a suitable poem, followed by prayer by Capt. Hugh Maclean.

An after-church service of congregational singing, messages in song by Major Fowler and a reading by Capt. Delamont was conducted.

## SEEK PERMIT TO CONSTRUCT H. S. ADDITION

Secretary Allan Mills was instructed to write the building controller asking a license for the construction of a new wing to the high school at a meeting of the high school board Tuesday night. Some months ago, the board applied for a building permit but was refused because of the shortage of building materials and labor.

"All classrooms at the high school with the exception of the art room are in use," Principal J. W. Lockhart stated. "I will have to use the art room in a short time."

"The need for the high school addition is even more pronounced at present," A. N. Belugin declared. "We had thought of the addition for the teaching of vocations but now we may have to include with it additional classrooms," declared Gordon Manning, chairman of the board.

"There is a great need for technical schools in this area," said Mr. Lockhart. "The nearest one is Northern Vocational school in Toronto or at Weston." "The public schools are also crowded," said Mr. Manning.

Following some discussion, a committee was named to report on the advisability of a burglar alarm for the school safe. Suggestions included the type of alarm that rings a bell outside the school when the safe is being tampered with.

Mr. Manning suggested that the board consider the hiring of a second caretaker in the near future. "Then we should have night and day watch," he stated.

Mr. Mills read the report of the commercial inspector, T. O. W. Fowler who commended the principal and staff of the high school for the high standard of the commercial department. He noted the practice of letting students get business experience in local business offices and said he "very much approved of it."

## TWP. PROTESTS BRINGING LOTS WITHIN TOWN

Municipal council of Whitchurch in session on Saturday voiced strong disapproval of a proposed dominion bill which they had been solicited to support and which is designed to stop train whistles from being used over C.N.R. lines.

Deputy-Reeve Lorne Evans said some people must have a bad set of nerves, and another member suggested that once the whistles were silenced there would be a demand for expensive wig-wags for rural crossings.

Councillor Les. Harper sponsored a resolution, seconded by Councillor Ed. Logan.

Another action which council voiced disapproval of was the proposal of J. B. Waterhouse and others to have the town of Newmarket take over a certain section of land adjacent to that town and lying in the township. The deputy-revee introduced the resolution, seconded by Councillor Logan. "That we, the council of Whitchurch, are in opposition to the petition of Mr. Waterhouse to have the town of Newmarket annex that part of the township of Whitchurch known as Park Ave. and Woodmount Ave., as set out in a petition filed with this council."

"Further, we beg to point out this is valuable property and that its annexation would seriously affect the assessment in the school section in which it is situated."

"And that we would ask that no action be taken by the Ontario Municipal Board until this council has an opportunity to interview the ratepayers in the section, and prepare a case for presentation to the board."

The resolution passed unanimously.

Council decided to petition the Ontario Department of Highways to take early action in removing the bottle-neck alleged to exist on Yonge St. between Steele's Corners and Richmond Hill. The petition will urge that this be made an early project irrespective of any other undertakings the department may have to relieve the condition on Yonge St. Deputy-Reeve Evans sponsored the petition.

J. W. Berry whose property is just around the corner on the 5th concession north of the Markham townline called attention by letter to a bad condition on the road in front of his premises and urged immediate repairs. Council was informed that the road foreman already had the matter under consideration.

The question of whether the council should support one mill expenditure on the 1946 tax rate for extensions to city hospitals as recommended by the York county council was left to the discretion of the reeve and deputy-revee who are now attending the November session. It was pointed out that the urgent need for capital outlay due to lack of accommodation was pressing, and if the County of York failed to assume a fair share it might be asked to care for its own sick, and this, it was said, would be most costly way.

## BELOW 100 ACRES, FIND FARM COSTS TOO HIGH

By MRS. W. WILMOT, Press Secretary

The Newmarket East Radio Forum met Nov. 12 at Stanley Boyd's home. The broadcast originated from Regina, Sask., on the topic, "Can we do without the small farm?" The subject proved rather controversial as speakers waxed eloquent over the large farm, the small farm and merits of co-operative farming.

Our group decided that a farm of less than 100 acres often had too much overhead. It takes as much machinery and capital as a large farm. In this district the average farm is about 100 acres and should, if efficiently farmed and business methods followed, produce a decent living for the average family.

In western Canada more farmers are needed as millions of acres are yet untillied. If more houses were available in Ontario, more homes would be established on the family farm or in rural centres.

The family makes a good working unit but if not efficient, co-operative farming should be an alternative where more people can share community interests and promote democracy. Government assistance could be given for soil conservation, irrigation, and especially fall flood control.

## HEADMASTER SPEAKS

Headmaster Joseph McCulley of Pickering College, recently returned from England and the Continent, will be the guest speaker at the Tuesday night meeting of St. Andrew's Presbyterian church Young People's Society. The meeting begins at 8 p.m. and is open to all.

## TELLS OF NEED FOR ENLARGED H. S. BUILDING

The need for a larger high school was voiced by Principal W. J. Lockhart at the commencement exercises of the high school Friday. In support of this, Mr. Lockhart pointed to the enrolment of the school which is larger than it ever has been and there is every indication that it will commence to grow.

Guest speaker at the exercises was R. N. Merritt who was principal of the high school in the years 1911 to 1915, and who is now principal at the rehabilitation school in Toronto. Introduced by Ernest C. Bogart, K.C. Mr. Merritt recalled incidents during his principalship and told of his present work. He said that the veterans of this war had returned with an earnest desire to make the best of the opportunities being offered them. In the first month the school operated, he said, 15 students enrolled. In the first year, 1,100 had enrolled.

"We are leaving school in a critical and challenging period, the period of reconstruction," said Reta Horner, valedictorian. "We must be willing to do our duty and not shirk responsibility." She said that the leaving of school marked the end of one period in the lives of the graduates but it also meant the beginning of another.

Exercises opened with a graduates' dinner at 7 p.m., followed by a musical program including numbers by the junior glee club, piano solos by Bobbie Koffend, piano duets by Helen Epworth and Beth King, and numbers by the senior glee club. Interspersed with the musical numbers was the presentation of diplomas and awards.

The evening was concluded with dancing in the auditorium.

## \$20 DONATED TOWARDS FURNISHING CLUBROOM

At a recent council meeting, the Newmarket Veterans' Association was given permission to use the third floor of the municipal building at the corner of Main and Botsford Sts. as a club room. Subscriptions for furniture with which to furnish the room have been opened with a \$20 donation from St. John's church.

For some time, the veterans have been seeking a clubroom in which they might establish permanent quarters, and it is thought that the third floor of the municipal building would serve for that purpose.

The sum of \$265.96 was collected through the Saturday Poppy Day tag. The money will be used for welfare work among the veterans.

## MRS. T. C. COMBER DIES IN 72ND YEAR

## 'Victorious' Net \$405 For W.I. Activity, 'Marked Success'

What members of the Newmarket branch of the Women's Institute hailed as a "marked success," the fall fair, Victorious, sponsored by the Institute, was held in the Newmarket town hall Friday afternoon. The sum of \$405 was raised for maintaining a supervised restroom and other Institute work.

The baby booth, under the supervision of Mrs. Chas. Near and Mrs. Wm. Young, had a brisk business over its well decorated counter. Sixty-five aprons were sold over the apron counter which was under the supervision of Mrs. W. M. Cockburn. Mrs. E. H. Adams and Mrs. Max Smith took care of the sale of kitchen gadgets and reported an excellent business.

The bake table had a short life. The baking sold quickly under the supervision of Mrs. John Hodge, Mrs. T. Watson and Mrs. Hugh Campbell were in charge of the white elephant counter where sales were brisk and many articles were on display. The agriculture group, under the direction of Mrs. Roy McDonald, operated a model market. Mrs. W. M. Cockburn won the chicken which was raffled off. Mrs. Roy Meades, assisted by Mrs. Skinner, had a busy afternoon from behind the fancy work counter.

The "Million Dollar Doll," donated and dressed by Mrs. E. Dobbie who was also in charge of the sale of tickets on it, was won by Marilyn Keats, daughter of Mr. and Mrs. Cyril Keats, Andrew St. Over \$70 was raised through Mrs. Dobbie's efforts.

Winners of the market baskets, "Victorious," were Mrs. F. S. Smith, Main St. and Mrs. Walter Stickwood, Ontario St. Miss Bertha Neilly, Mrs. Boardwin and Mrs. Newall assembled the baskets and sold the tickets. The draw netted \$60 for the Institute.

The program and tea was a feature of the fair. The program opened at 3.15 p.m. with the story of the composition of the Maple Leaf Forever by Alexander Muir, followed by the singing of the first verse and chorus. Rev. Henry Cotton led the gathering in prayer and George M. Byers gave an address of welcome. Miss Anna Jackson played two piano solos which were followed by an address from the superintendent of the Institutes, Miss Anna Lewis, daughter of Mr. and Mrs. Chas. Lewis, Yonge St. Capt. W. West, Niles, M.C., told of a battle experience and Mr. Cotton spoke briefly on the victory loan.

Mrs. Kate Aitken, guest speaker, told of her experiences as a war correspondent for the London Times. She gave a first hand report of the conditions in European countries and told of the need for transportation facilities, clothing, food, and a feeling of security. The meeting closed with the singing of the national anthem.

In the evening, 20 tables of progressive euchre were played in the auditorium. Miss Bertha Neilly and Mrs. Boardwin were in charge, assisted by members of the Newmarket Veterans' Association.

## Says Canadian Warrior Gave Nation World Fame

By ORVILLE GANTON

Last spring, I held a short symposium on 'what's wrong with sport in Newmarket.' During the summer, while catching a few sport notes for The Era and Express, I had an excellent opportunity to study the situation from the inside. As a result I would say that of all the factors which are cramping the expansion of sport in town, weak organization was the most important.

Each branch of sport is guided by a separate faction or clique who with the very best of intentions are running their own little side-show and all pulling against one another because of no over-all community co-ordination. I witnessed a scene at the Stuart Scott grounds one evening last summer that reminded me of the Maitland-Bradford lacrosse riot years ago. However, it was not so serious, just two softball factions spitting for the use of the diamond. Incidentally, the girls won; they always do.

Baseball is a highly scientific game; order is the basis of all science. Consequently, unless we organize it on a broad, thorough basis we cannot hope to develop good players because it will fail to attract the best baseball men as leaders either in an executive or practical capacity. Last summer we had the unhappy experience of seeing our midjet team reach the O.B.A. play-offs bankrupt with no organization behind them whatever. The York Lions league officials were compelled to come into the town and appoint an executive and coaches so the boys could continue in the playdowns. That I believe is an all time low for this town.

The ladies' softball league had a fairly successful season with a long three-team schedule. However, it lacked a fitting climax because we failed to organize the district for entry in O.L.S.A. play-offs.

Every community must do its share in organizing farther afield than their own little backyard. For instance, if the memorial arena is not to become a white elephant for the corporation as it was for its original private owners, this broader phase of sport organization must be studied and adhered to.

Mr. and Mrs. Colin Widdifield entertained 30 relatives to a buffet supper last Saturday evening on the occasion of their 25th wedding anniversary. The couple received several gifts of silverware.

## MAIN ST. JUST AS IMPORTANT

For a time, it appeared as if that long awaited widening of Main St. would be accomplished. However, as on other occasions, when the excitement had died down there was Main St., as narrow as before, with no signs of anything being done about it. What is there about the task that those responsible for its accomplishment should shun it so?

The omission becomes all the more glaring in view of the extensive preparations which are being made by which it is hoped to attract new industries to town. The site north of Queen St. and on the east side of the river has been neatly levelled and men are at present removing the old concrete bridge work which is all that remains to mar one of the finest industrial locations Newmarket has ever had. Is it not paradoxical that in its efforts to attract new industries, the town should provide such an excellent site but overlook the advantages of an attractive Main St.

An easily travelled main thoroughfare is just as important as an attraction to new business as are appropriate sites. There are few industries that would willingly expose their transportation to the lost time that results from daily traffic tie-ups on the main street. But of even more concern is the question that Newmarket citizens will be asking. Why, they will say, is the town going to the expense of providing industrial sites for new industries but doing so little for its own citizens. Industrial sites are important to the town. None will dispute their value nor the cost of providing them. Let it not be forgotten however that a wide Main St. is also an attraction for new industries and more important, an obligation long standing to Newmarket ratepayers.

## What Others Think

DISTRUST, SELFISHNESS  
 DARKEN WORLD SCHEME

(Orillia Packet and Times)

The atomic bomb brought early victory in the war against Japan. It threatens to shatter the peace. Having learned from experience the terrifying effects of this new weapon, its discoverers hesitate to make its secret known to the

nations in general. Their failure to do so has created distrust and jealousy, particularly on the part of the Soviet government, which sees its immense military power neutralised by the fact that their quondam allies possess means of making all Russia's armies and air force impotent.

If the nations had more confidence in one another, the simple solution would be an agreement that atomic energy having won the war should end war; in other words, a mutual pledge that the atomic bomb should never again be manufactured or used. The secret of splitting the atom could then be placed at the disposal of all nations for peaceful uses. Unfortunately, there is not mutual trust and goodwill among the great powers. Yet it is a question whether it wouldn't be safer to act on this principle than to attempt to hold the bomb as a potential threat to aggressors. That is the problem that President Truman, Premier Attlee and Premier Mackenzie King will wrestle with at Washington.

The high hopes that the great powers would combine to frame and maintain a just peace, on the basis of the Atlantic Charter, have been sadly disappointed. Instead, they are at such odds among themselves that they have not ventured even to talk of a peace conference, lest if one were called their differences should be accentuated. France, which lost the war, is bent on winning the fruits of a victory to which she made slight contribution, by attaining her long cherished ambition to keep watch on the Rhine and to exploit the riches of the Ruhr. Russia seems to have renewed her desire to extend the bounds and influence of Communism, by forcing the Soviet system upon satellite neighbours, whose reluctant inhabitants are being subjected to a reign of terror differing only in degree from that of the Nazis. In effect, as has been pointed out by Walter Lippmann, the Soviet government is succeeding only in making itself and communism disliked both in the countries Russia seeks to dominate and throughout the democratic world. The sympathy and admiration which the Russians had won for their valor in war, and in some quarters for their political and economic system, is rapidly evaporating in the light of the ill-disciplined actions of their occupational troops and the grasping selfishness of their rulers.

Czechoslovakia is no better off than she was following Munich, while Poland has been cut in two and is being subjected to Soviet domination. The same condition exists in Yugoslavia and in Bulgaria. Yet even those who denounced Munich and appeasement do not suggest intervention. It is now recognized that the western powers can do little for these eastern nations, and that their interference tends to aggravate rather than to improve the situation. But far from strengthening their position in the post-war world, the Moscow statesmen are driving their country into a position of isolation. The tragedy is that in doing so they threaten to provoke an armed truce instead of the permanent peace which had been the goal for which the democratic nations were fighting.

It might have been expected that the destruction and horrors of the war would have convinced the whole world that there was nothing to be gained by attempting to settle differences, domestic or international, by force of arms. But with civil war in China, the East Indies and South America, and military power still dominant in Europe, it would appear that the awful lessons of the past six years have not yet been brought home to mankind. There is less idealism today than there was after the close of the Great War.

## GOSPEL ECHOES

By REV. C. M. BELLSMITH,  
 Pastor, Pentecostal Tabernacle  
 "We have heard the joyful sound,  
 Jesus saves! Jesus saves!  
 Spread the tidings all around:  
 Jesus saves! Jesus saves!  
 Bear the news to every land,  
 Climb the steep and cross the waves;  
 "Onward! 'tis our Lord's command;  
 Jesus saves! Jesus saves!  
 "Waft it on the rolling tide;  
 Jesus saves! Jesus saves!  
 Tell to sinners far and wide:  
 Jesus saves! Jesus saves!  
 Sing ye islands of the sea;  
 Echo back ye ocean caves;  
 Earth shall keep her jubilee:  
 Jesus saves! Jesus saves!"

Gospel echoes! The message of this familiar hymn, Jesus Saves, should be echoed around the entire world. Men need Christ whether in Newmarket or in China for He alone saves.

The angel of the Lord spoke to Joseph before the birth of Christ saying "Thou shalt call His name Jesus, for He shall save His people from their sins." Jesus was the Saviour from birth. He sought to reach men during His life. Most important of all by His death He was revealed as the Saviour of mankind.

Yes! it is true. Jesus does save when we believe on Him. Once we have proven this for ourselves it becomes our joy and privilege to proclaim this truth so that men from every tribe and nation may learn that Jesus saves.

## CHURCH FILLED FOR REMEMBRANCE SERVICE

Remembrance Day service was held in the United church on Sunday evening when a large number attended in respect and honor of those who made the supreme sacrifice in both world wars.

This is the first time that a Remembrance Day service has been held in this old church when so many veterans were present. Twelve members of the Newmarket Veterans' Association with their bugle were present and this gesture was fully appreciated when it was remembered that these men had attended two parades in their own town. Bradford veterans were represented by Robt. Watson and the village veterans with those of the boys who have returned from active service made a good representation occupying the three front seats. The church was filled to capacity. The hymns chosen were O Valiant Hearts and Kipling's Last We Forget. The choir sang two anthems and Miss Prouse of Bradford sang the solo, There Is No Death. Previous to the address the Last Post was sounded, then two minutes silence followed by the Reveille.

During those impressive moments there is no doubt that the thoughts of many of the older veterans went back 27 years to those of their comrades who made the supreme sacrifice and who lie where the poppies grow in Flanders' Field.

The minister, Rev. F. G. MacTavish, himself a veteran of the first war, gave an appropriate address, referring to the 90,000 Canadians who made the great sacrifice in both wars, and to those who have paid a heavy price in loss of sight, speech and limbs, but who though broken in body are not broken in spirit, living in high hopes of fitting themselves to the tasks ahead in spite of their handicaps.

After the service all those

present were invited to the basement of the church where refreshments were served by the ladies of the congregation and old acquaintances were renewed. This is the first Remembrance Day for many who have lost loved ones. Out of the 48 who went to serve their King and country from this village, four paid with their lives for a duty well done. May the day never come when it shall be said we failed to remember them.

### In Memoriam

Graves—In loving memory of our dear mother, Rosa Emma Graves, who passed away Nov. 18, 1934. While you, dear mother, rest and sleep Your loving memory we'll always keep. Sadly missed by her daughter, Helen, and husband.

Peat—In loving memory of a dear husband and father, Edward H. Peat, who passed away Nov. 17, 1935. Time speeds on 10 years have passed Since death its gloom, its shadows cast Within our home, where all seemed bright, And took from us a shining light; We miss that light, and ever will. His vacant place there's none to fill, Down here we mourn, but not in vain, For up in Heaven we will meet again. Sadly missed by wife and family.

### CARD OF THANKS

The family of the late Mrs. Joseph Sheppard wish to express their sincere thanks to their many friends, neighbors and relatives who were so kind and thoughtful at the time of the recent death of a dear wife and mother.

### CARD OF THANKS

With a very deep sense of appreciation, I wish to acknowledge the many, many kindnesses extended to me by kind friends and neighbors during the illness of my dear sister, Saida, and in my recent bereavement. Gertrude Millard.

### CARD OF THANKS

The members of the Newmarket Veterans' Association wish to express their sincere thanks to Mrs. Cass, Miss Neilly and all the children who so ably assisted in making Poppy Tag Day such a great success. The proceeds amounted to \$265.00 and will be used for welfare work.

**2,000 Ft. Of Factory Space Sought For Firm In Town**  
Aurora Town Council has received a request from a business man in a nearby municipality requesting information on available floor and factory space, premises that might be remodelled and on building lots. The applicant requested 2,000 ft. of floor space to start with room for expansion to 10,000 feet. Council requested Deputy-Reeve A. A. Cook to communicate with the applicant, and Clerk A. C. A. Willis is furnishing some suggestions for possible sites. Quite a few inquiries have been received concerning firms who might locate here, but most want space in view of present building difficulties. Mayor Ross Linton and Deputy-Reeve Cook say. Council has agreed to furnish the Aurora Board of Trade with any inquiries and the board will endeavor to aid Council in seeing if it is possible to do anything in the matter.

**Lions To Ice Two Teams For O.M.H.A. League Play**  
Aurora Lions will be represented by a Juvenile "C" team and a Midget "B" team in the Ontario Minor Hockey Association and entries have been forwarded to the league. Leonard Simmons, chairman of the Lions Club sports committee, said.  
"We hope to be grouped with enough teams in the district for a regular grouping and schedule for the winter. If no group is available we will carry on our local league as in other years. If grouping is secured we will still carry on with a four-cup bantam league in town to give the younger boys a chance to play as well as those a little older," he said.  
Delroy Babcock and William Holloway, who have looked after hockey and baseball successfully the past year will be in charge of the boys and a survey is being made of the equipment needed, although with the exception of sticks and a few other articles the club lockers are pretty well filled. If possible, practices will be held on artificial ice prior to the advent of natural ice at the local arena. Mr. Simmons and his colleagues feel that the Aurora youngsters will be able to give a good account of themselves this year against outside competition.

**Anne McRae Wins First Honors In Oratorical Test**  
Anne McRae will represent No. 1 York inspectorate in the York county council oratorical contest, having captured the district championship in competition with seven other youngsters last Friday evening. Anne's win gives Aurora public school its first winner since the contest was inaugurated. Her subject, "The T. Sisman Shoe Company," will provide the municipality with some top-flight advertising before the county legislators. Judges for the inspectorate contest were J. H. Knowles, Miss Genevieve Robinson, Mrs. Bert Wright, Wilfred Adams and Mrs. L. C. Lee, and the markings were very close so evenly matched were the contestants. Principal John G. McDonald acted as chairman and Inspector O. M. McKillop announced the decision. Miss Lorraine Fierheller, accompanied by Miss Joan Harrison, sang three numbers. Competitors and their subjects were: Marian Fraser, West Markham, "Clothes"; John Boynton, Newmarket, "Wheat"; Carol McNeil, North Gwillimbury and Georgina, "Peace"; Jean Willson, Whitechurch, "The 48th Highlanders"; Jean McGarry, Richmond Hill, "The King's Court"; Marilyn Miller, East Markham, "The Children of India"; Anne McRae, Aurora, "The T. **306 VETERANS NAMED TO GET GIFT OF TOWN**  
Names of Aurora service men and women now listed with Mrs. C. S. Nisbet, secretary of the committee in charge of the civic presentation to be made in January, total 306. Exclusive of navy personnel, there are around 60 Aurora boys still to return from overseas.  
Two hundred and four of those listed as having served with the army and of these 123 served overseas exclusive of Newfoundland. Seventy-six boys enlisted in the R.C.A.F. and 39 of these went overseas. Four civilian fire fighters also went overseas. Fifteen boys are reported as having served with the navy and at least ten of these saw action on the Atlantic. The navy proved the most popular branch of the service for girls with five joining the Wrens. Two the R.C.A.F., and one the C.W.A.C.  
Sixteen servicemen are listed as having paid the supreme sacrifice, and their families will be honored with the civic presentation. Nine awards for gallantry were made to Aurora boys. Highest rank attained by Aurora men were group captain in the R.C.A.F. and lieutenant-colonel in the army.  
**A.P.S. SOCCER TEAM BESTS BIG BROTHERS**  
Aurora public school soccer eleven scored a 4-2 win last week over Aurora high school juniors in their first start of the season. Ted Dobson (2), Bob Warlow and Hugh McRae scored for Del. Babcock's boys, while John King got both goals for the secondary school.  
A.P.S.: John Gilbert, Gerry Simmons, Cliff Heath, Bill MacGirr, Mike Maughan, Andy Closs, Leo Anthony, Ted Dobson, Bob Warlow, Hugh McRae, Grant Preston, Bill Summers.  
A.H.S.: Bill Wilkinson, Jim Stocks, Ray Rogers, Jim Cook, Keith Bull, Cliff Case, John King, Lorne Graham, Tracy Barrager, Ken Hoyle, Don Egan, Bill Lloyd.  
**HOLD LAST SERVICE FOR GEORGE SMITH**  
Funeral services were held for George Smith, King township farmer, from his residence near Pottageville on Friday. He had been a resident of the district for over 40 years. In his 79th year, he was born in England and came to Canada as a young man. He was a member of Kettleby United church and had been in ill-health for only a few weeks.  
The service was conducted by the Rev. C. E. Cragg of Kettleby with interment at Aurora cemetery. He is survived by his wife, the former Alveda Miller, and one son, George.  
**FINANCIAL SURPLUS FOR TOWN FORESEEN**  
Aurora's bank loan which stood at \$26,000 early in the year had been reduced to \$8,000 by Nov. 1, according to the financial statement prepared by Clerk A. C. A. Willis, and with few heavy expenditures facing council, including the county levy, and a balance of \$22,700 in current taxes still to come, Aurora councillors are confident they will close their books with a nice surplus.  
This would mean the 1946 council would not have to borrow nearly the usual amount required to tide the town over until incoming taxes are paid. In addition the municipality has yet to receive the one-mill subsidy from the provincial government.  
One of the chief sources for the improved financial position is the government grant to the schools.  
**SGT. GORDON PATTON HOME FROM ABROAD**  
Home from overseas is Sgt. Gordon Patton of King City. Sgt. Patton enlisted with the Queen's York Rangers, trained with them at Niagara camp and Debert, and then transferred to the Canadian Armored Corps. He re-transferred to the infantry to go overseas in 1944.  
**CONTRIBUTE \$50**  
The Aurora high school junior Red Cross has contributed \$50 to the Aurora branch of the Navy League of Canada.  
**BUILDS HOME**  
Mrs. M. McCutcheon, King township, is building a residence on Harrison Ave.

**CADETS IN SERVICE**  
Led by Capt. Joseph Errington, St. Andrew's College cadet corps looked impressive in the annual Remembrance Day service of the 48th Highlanders at the regiment's cenotaph in Queen's Park, Toronto. The St. Andrew's corps was judged the best cadet corps in Military District No. 2 last week.  
**\$40,000 OVER TOP IN LOAN**  
Aurora went soaring over the top in the Ninth Victory Loan before the final day of the campaign was reached, and the objective of \$235,000, one of the largest ever tackled by local citizens, was surpassed by \$40,000, although final figures are not yet available.  
"It is a great achievement by our townspeople and those in charge of the campaign," Mayor Ross Linton said. "It is all the more gratifying now that the war is ended, to see the people wish to meet their obligations to the service men and women."  
**S.A.C. ENJOYS RECORD YEAR ON GRIDIRON**  
With six teams in action the past season, St. Andrew's College posted a record of 32 wins and ten losses for a total of 720 points for and 221 against. The work of the first team in the winning of the Little Fig Four championship and of the fifths in winning ten straight games without a loss were outstanding. The fifths who are in the bantam class scored 199 points with only six against them.  
The fourths, who played only two games, also had a clean slate but not one of the six teams was on the wrong side of the ledger so far as wins and losses were concerned. With over 100 boys playing football all season, no serious injuries were suffered.  
Coach Horace Kendall has enjoyed his best year since coming to the college. With plenty of talent coming St. Andrew's should set some further records in the years to come.  
**AURORA TO SELL SURPLUS EQUIPMENT**  
An inventory of all surplus equipment owned by the municipality is being prepared and it will be placed on the market for sale if no use can be found for it. Several motors, pumps, and a boiler are listed and the council feels that there is a good market now which may not be available in a year. A request has been forwarded to War Assets Ltd. to see what equipment is available for purchase by the town, particularly for the streets committee and for snow removal.  
**LIONS, WIVES, ATTEND PRESIDENT'S DANCE**  
A number of members of the Aurora Lions club and their wives attended the dinner and dance in honor of Dr. Ramiro Collozo, Havana, Cuba, president of the Lions International, held in a Toronto hotel last Tuesday. Among those attending were Mr. and Mrs. Wyatt Baldwin, Mr. and Mrs. William Morris, Mr. and Mrs. Marshall Rank, Mr. and Mrs. Delmer Barker, Mr. and Mrs. Crawford Rose, Mr. and Mrs. Garet Barrager, Mr. and Mrs. Clifton Spence, Mr. and Mrs. John Morning, Mr. and Mrs. Archie Cousins, Mr. and Mrs. Frank Underhill, Dr. Crawford Rose, along with Alex. Eves of Newmarket, acted as tail twisters at the gathering.  
**Nov. 24 Salvage Day Funds For Memorial**  
"Every cent we get from waste paper goes to the Aurora Board of Trade War Memorial Fund," Mrs. Thomas Dann, chairman of the Aurora salvage committee, said in announcing Saturday, Nov. 24, as the day of the next paper salvage collection. "We are anxious to make this one as big as possible as there may not be many more, and we would ask all to cooperate."  
Householders should bundle paper and magazines and have them ready for the collectors on Nov. 24.  
**ELECTED AS DIRECTOR**  
Rev. Garnet Lynd, Downsview, formerly of Aurora, has been elected as a director of the North York Horticultural Society.

**'Must Keep Debt To Dead Before Us' Is Nov. 11 Message**  
Aurora honored the memory of the gallant dead of both wars and the sacrifices made for peace and the democratic way of life at impressive ceremonies Sunday.  
At 10.30 a.m., civic officials, representatives of the war veterans, and trustees of the Aurora war memorial committee gathered at the cenotaph. Mrs. H. Dawson placed a wreath on behalf of the province of Ontario, Mayor Ross Linton placed the wreath for the town of Aurora, and Robert Moore placed the Aurora war veterans' wreath.  
Veterans of both wars, under the command of Maj. Norman Johnson and John Hudson, the Aurora Fire Brigade and the Aurora town council, paraded to Aurora United church for divine service. The color party was Sgt. David Judd, Cpl. Robert Hodgkinson and George Walker. At the church a wreath was placed on the Communion table by Ft. Lieut. Dale King. Taking part in the ceremony were Wren Irene Heath and Sgt. Wren Starkey. Two minutes silence followed, with Last Post and Reveille being sounded.  
Rev. Roy Hicks reminded those assembled of the everlasting debt owed to those who had paid the supreme sacrifice or who were now going through life in ill-health or maimed because of war. He stressed that Remembrance Day should be a reminder of human effort and sacrifice, of the glorious hopes and promises of the years to come, and of God's unfailing purpose.  
"Peace must be buttressed by acts of kindness and good will," he said. "Any repudiation of our commitments to the dead is unforgivable." Power, politics, selfish imperialism, isolationism and self-grabbing must go, he said. "There must be a real dedication and a grim determination on the part of all of us to make this sick, sad old world a better place to live. Then our dead will not have died in vain."  
Addressing the veterans of the second great war, he declared: "I hope you have already found since coming home that the Christian church has learned many lessons. Since you went away, the Christian church has tried to free itself of much narrowness and hypocrisy. The church does not tolerate the 'goodly-good' man who prays on Sunday and preys on his neighbors all week. Large professions and little promises are out."  
He urged those who had served in the late war to take an active part in the life of their own church. "Some of you are tired and restless since coming home. As soon as you can take your rightful place as leaders in your own church, do so. The peace and good will for which you did your bit are too precious to be left in the keeping of any others except those who have learned that Christianity is not merely a creed to be argued about, but a way of life and conduct. We asked you to serve your country to preserve the things of decency. You must serve again to see these are not forfeited."  
Following the service, the parade moved north on Yonge St. with Mayor Ross Linton taking the salute in front of the post office. The parade was led by the Aurora Boys' band which had five veterans in its ranks. Following the parade Mayor Linton addressed the veterans briefly.

**Four Windows Unveiled At Remembrance Day Rite**  
With the church crowded to capacity, the congregation of Wesley United church, Vaudreuil, held Remembrance Day service last Sunday, and four stained glass church windows were unveiled to complete the windows of the church.  
W. D. Richardson unveiled a window in memory of the late George and Ann Richardson, the gift of the Richardson family. Miss Elsie Crawford unveiled a window in memory of the late William and Frank Graham, the gift of the Graham family. Gordon Carr, unveiled a window in memory of Clifford Clayton Carr, the gift of the Robert Carr family.  
On behalf of the congregation, Mrs. Donald Thompson, whose husband paid the supreme sacrifice, unveiled a memorial window in memory of those who gave their lives in service in both wars, as well as those who served their country in both wars. Five boys were killed during the first World War and during the second World War, Sgt. Donald Thompson and Pte. Robert Glittens gave their lives.  
In charge of seeing the church windows completed and arranging the service were Organist George Richardson, and the pastor, Rev. E. C. Moddle.

**\$3,000 RAISED SO FAR TO RENOVATE CHURCH**  
Over \$1,500 was raised through a Thank Offering held recently at Aurora United church for the purpose of renovating the interior of the church. Of special delight to church officials was the co-operation of many of the young people of the church who made many personal sacrifices to contribute to the fund.  
Around \$3,000 is now on hand towards the building program, and church officers and Rev. Roy Hicks conferred this week with architect G. Smith of Toronto on the proposed changes. In addition to the changes to the interior of the church, the W.A. has undertaken the responsibility for the vestry, while the Sunday-school will look after whatever changes are necessary there.  
**GEORGE SPENCE NEW PRESIDENT OF LODGE**  
George Spence was elected president of Lodge Loyalty, Sons of England, No. 74, at an annual meeting held in the Orange Hall. The lodge welcomed back two members from overseas, and several more returning from the armed forces to civilian life.  
Other officers are: past pres., Ross Quinn; vice-pres., Donald Glass, chaplain, Harry Burge, sec., William Coleman; treas., Harold Eveleigh; committee, Thomas Roesdale, John Offord, Robert Hodgkinson; O.G. Joseph Holman; I. G. Reuben Long; auditors, Robert Hodgkinson, Frank Rowe; trustees, Robert Rank and Martin Southwood.

Some of the boys home on furlough gave a helping hand to repair and improve the appearance of the church. Mr. Duke Horner celebrated his 80th birthday Oct. 14. Mr. Horner is a spry young man. His many friends congratulated him and wished him many more happy birthdays. The Remembrance service was well attended and Rev. E. Knechtel preached a fitting sermon for the occasion. "TIRED" ALL THE TIME

She felt miserable—draggish—low in vitality—lower in spirits. She hadn't thought of her kidneys, until a friend suggested Dodd's Kidney Pills. At once she took Dodd's. The "washed out" feeling was soon replaced by clear headed energy and restful sleep. Headache, backache, lassitude and other signs of faulty kidneys disappeared. 112

DOWN THE CENTRE

"Together in Tulsa." Sounds like a Broadway drama or a best seller by one of the top-flight novelists doesn't it? Actually, my friend, we're referring to be a bit of sports drama that is presently being enacted south of the border.

It was back in the season of 1936-37 that Bert Tunney and Charlie Rowntree speared Hugh Mair and curly-haired Bill Wilson of Newmarket for Aurora juniors and right from the start the boys clicked with the fans and showed plenty of promise (we suppose we must give our old pal, Andy Closs, an assist on that one too). The boys were with Aurora the next year when they went through to the junior O.H.A. C. finals. Then came the scouts from the Big City. Scotty tagged by the Maple Leafs went to Runnymede C.I. and higher learning while Bill took a beating from Ed Wilkey's siren song of the Toronto Young Rangers and they both missed a junior championship with their first love.

From there in, the paths separated. Mair played with Marlboroughs then the navy and finally, after a try-out with the Leafs at Owen Sound, went to Tulsa Oilers. Wilson sojourned in South Porcupine, enlisted in the R.C.A. F. and played senior hockey. When discharged he went to the navy and on discharge last spring finished the season with Buffalo Bisons. This year he practically dropped out of sight but turned up a month ago with Gus Marker's Tulsa team and since the opening of the season has been doing right well for himself. Now the boys are together again since the Leafs have sent Mair to Tulsa, and we shall await with interest the reports coming in as to what the two ex-Aurora juniors are doing. It's a strange world isn't it and the paths aren't so far apart no matter which way you are going. That goes for most things in life including hockey.

Tell that man! sez Mrs. Herb, and we got a big kick last week as Herb Cain, long one of our favorite sports figures, gave us the lowdown about his 1945 hockey career. Last summer a dispatch came out of Boston via C.P. (or Canadian Press to the layman) saying the pride of Newmarket and Defenceman Jack Shewchuk had been traded by Boston to the New York Rangers for Bob Dill and cash. That was the first and only word Herb ever had of reporting to Rangers. Later Shewchuk called him on the phone to say Art Ross knew nothing about it and that they were still with Bruins. Came the fall and Cain packed his bags ready to leave either for Winnipeg with the Rangers or Quebec City with the Bruins. Came a letter and a cheque from Boston telling Herb to come to Quebec and Cain headed that way as per request. Arriving at Quebec, the Beantowners were at a loss to explain how the C.P. dispatch originated and Herb went on to win his regular berth with the Clapper-coached team. Shewchuk, after a year's opportunity to make his place in the N.H.L., was shifted to the minors to give Jack Church, return-

ing from the army this fall, a chance. Church has done well too.

Slow but sure is the way Cain sizes up the play of the famous Kraut line who are again together and seeking to regain their post-service status in the hockey world. Herb thinks that Schmidt, Bauer and Dumart will again reach their peak but not for some months. Many of the boys coming back from the services will not do so well, however, because while they are in good shape they have lost that certain something that lifts a chap to big league solidarity at times.

What's wrong with the Leafs? That's a favorite topic across Ontario these days and here is Herb's version: "There's nothing much wrong with the Leafs. They have a strong line-up but a lot of them right now are not in condition. It looks as if they look too many players to Owen Sound and tried too many lines. In other years the Leafs got off to a flying start through mid-season condition. They will be hard to beat once the passes start to click and the boys are in shape."

Floyd Yake, now employed at the Aurora R.C.O.C. depot and busy dreaming of a topping good softball club next summer, represents a surprisingly large number of Ontario fans when he says: "Seeing the Leafs at the bottom of the league is one of the most pleasing things I can remember." Like a lot of others, Ace is a little sick of the propaganda campaign continually sent out from Maple Leaf Gardens. This year it has been even more intensive than before.

On the other hand there is the veteran Aurora lawn bowler, George Banbury, who lives, eats and breathes Maple Leafs and follows the progress of the team day by day with keen interest. George is not worrying about the Leafs. He says they're due to break loose anytime now and will be once again at the top of the heap. In barbershops, buses, street cars and bistros the fate of the Leafs is of prime importance in conversation, especially so now that the war has ended. "Hockey night in Canada" is indeed a much more important part of Canadian life than even its sponsors know.

Ontario Rural hockey, in cold storage since King City won the championship back in 1941, is due for a revival this season and H. E. Ovenden of Wainfleet is again secretary. Two intermediate series, and one juvenile are going to be run and there should be quite a few entries. Up in South Simcoe there is likely to be a four-club series in both sections with Thornton, Beeton, Everett and other teams included. Schomberg under the dynamic Bob Moody will be in again, and from here it looks like Maple, Woodbridge, Humber Summit, and Bolton as well. There may even be more teams. There should be no reason the Aurora town league couldn't join for Zephyr, Vandonf and Ballantrae certainly qualify. The rural series has a definite place in our hockey setup and could easily care for the bush leaguers that flourish at Uxbridge, Sutton, Stouffville, Aurora and Richmond Hill, to name but a few. It may not be the classiest hockey in the world but is genuine simon pure, and provides plenty of fun.

OFF THE PRESS THIS WEEK  
the looked-for collection of car-  
toons by Les Callan, popular artist on  
the staff of the "Maple Leaf". This  
book will make a treasured gift to  
many a returned man who may have  
first read and appreciated its humour  
amidst the mud and uncertainties of  
Normandy. "FROM D' DAY TO  
VICTORY, Normandy and On with the  
Fighting Canadians, a Car-  
toonbook by Les Callan" is a title you  
will see in many bookstores from now  
on. Les Callan was born near Kenora,  
Ontario, worked on the Vancouver  
Sun and Winnipeg Free Press, was  
taken on the staff of the Maple Leaf  
overseas by Colonel R. S. (Dick) Ma-  
lone. (Longmans Green.)

**GOOD NEWS FOR KNITTERS**  
those exquisitely beautiful  
Monarch Yarns, so dear to the  
hearts of home knitters, are again in  
production... and should be on  
your dealers' shelf in the very near  
future. If not already there, ask for  
them by name. Monarch Baby  
Wool, Monarch Andalusian, Mon-  
arch Dove, Monarch Speedway,  
Monarch 202, Monarch Down. The  
Monarch Knitting Company, inci-  
dentally, wishes to thank dealers and  
customers for their patience during  
these years, when "style knit-  
ting" of necessity had to be listed  
among the luxuries. It gives the  
company very real satisfaction to  
be able to announce that these new  
yarns will be in the hands of Cana-  
dian knitters again.

**DU BARRY DERMA-SEC** For-  
mula is a rich, super-emollient which  
supplies extra softness to neck and  
throat, overcomes the dryness which  
produces wrinkles and activates the  
functions of the pores to produce a  
clear-toned skin. This cream for dry  
skin is a protective for the young, a  
corrective for the older skin. Use it  
in the "Beauty-Angle" way to bring up  
circulation, working upwards along  
the throat column with both hands,  
then lie with feet about a foot higher  
than your head in the way prescribed  
by famous beauticians, getting new  
supplies of blood flowing up to nour-  
ish the skin of your throat and neck.

**THE OLD TIN ROOF** in mod-  
ern dress is no joke. On the con-  
trary, galvanized roofing is a fine  
roofing material with many out-  
standing advantages. It's fireproof,  
easily and quickly put on (even  
over your old roof), and because  
of new screw-type nails it will not  
blow off. But the main objection to  
the tin roof, that it holds heat  
and is noisy and unsightly do not  
hold as you can see from the book-  
let "House Tops", put out by East-  
ern Steel Products Limited, Preston  
Toronto and Montreal. "House  
Tops" shows by illustration of ac-  
tual houses roofed with "Rib Roll"  
galvanized metal roofing that it is  
suitable in every way for house roof-  
ing, and not only suitable, but very  
smart in appearance, either in plain  
or painted like the finish of your car.  
Send for a copy of "House Tops".

**THE GAUNTLET**, James Street's  
new and penetrating novel based on  
the story of a young Baptist minister  
in a small American town has already  
become a Literary Guild selection.  
The problems of London Wingo are  
those of any young preacher who at-  
tempts to reconcile the teachings of  
his faith to the "petticoat politics" of  
a narrow community, where even the  
friendly informality and warm enbu-  
siasm of his wife become misinterpre-  
ted. This is a book which will arouse much  
comment, and one which mirrors the  
minds of little people with almost  
cruel exactitude, written by a man  
who was ordained for the ministry  
and has travelled the road of human  
experience. (McClelland and Stewart.)

**IT'S SIMPLY NOT INTELLI-  
GENT** to limp around with a  
wrenched or sprained ankle or in-  
stead when a patting on of Sloan's  
Liment will co-operate with nature  
to relieve it. Sloan's works by  
bringing circulation to the spot,  
driving out the uncomfortable cut-  
off feeling which results from a part  
of the body having been injured by  
a sudden fall or strain. Sloan's is  
exceedingly strong in its action,  
does not require rubbing on but  
merely a gentle patting on with  
absorbent or fingers. The effect is  
almost immediate. Good to relieve  
simple head colds as an inhalant  
when a teaspoonful is added to a  
glass of hot water.

**Present Gold Watches  
To Landing Veterans**

Gold watches were presented  
to Holland Landing veterans of this  
war at a presentation service  
at the United church Friday  
night. The service took the form  
of a banquet and tribute was  
paid by each of the five clergy-  
men who serve the district. Four  
of the watches were received by  
the families of men who had  
paid the supreme sacrifice. Forty-eight served from Holland  
Landing.

With only a population of 450,  
Holland Landing raised \$800 for  
the purchase of suitable gifts by  
which to honor its servicemen.  
Beginning with the formation of  
a welcome home committee  
some months ago, Holland Land-  
ing residents contributed enthu-  
siastically to the fund. "The  
first contribution was for \$25  
and the second was \$50," said  
Aubrey Stephenson, president  
of the committee.
